Erik Sommer
President of IISHF

Welcome!

I am very pleased, as President of the International Inline-Skater Hockey Federation (IISHF), to welcome you to the Women European Cup 2019 in Skaterhockey in Gentofte, Denmark which takes place on August 24-25, 2019 (games to be played Saturday and Sunday).

I would first of all like to thank the Danish Federation and the hosting club Gentofte Rollerskating Club for the interest and support that has been given to this tournament. It's the xxxx time that Gentofte is hosting an IISHF Title Event in the indoor rollerskaterhall in Gentofte Sportspark which was open in August 2014. They hosted the Women European Cup in June 2016. The Organising Committee organized in Gentofte has worked very hard on all the technical and social details, and this, along with the wonderful hospitality of the hosting club and the superb organization of this important event, are the guarantees for a successful competition.

I would like to wish all the players, team officials and spectators who have come from around Europe a lot of luck in this Title Event and I hope that you will enjoy this tournament. I would also like to thank all the IISHF officials and referees for their contribution so this which will hopefully be another great weekend for all of us enjoying this fast and lively sport. This year we have participation of 8 teams from 3 countries coming from Germany, Switzerland and Denmark.

See you in Gentofte!

Of to Denmark!

Who are the ladies of the Duisburg Ducks?

The Team was a long time in the first Bundesliga in Skater-hockey, a small team of about 8 ladies. After a long time, we decided to break up the team, because we all had other plans for life. Some of us became mothers, some of us moved to a different place and some just needed a break from being on the way every weekend.

There are ways to report about it:

2009 we won the Ladies European Cup against Austria
 2010 Vice champion of the first Bundesliga
 2011 Bundesliga champion and European Cup participation
 2012 participation in the European Cup in our home ground
 2013 Vice champion of the first Bundesliga

Unfortunately, after the successful time the team broke up and there was no women's team for the last years at the Duisburg Ducks. But mentioning all this, there is the positive / successful cooperation with the Management Board of the club and the trio of Alexandra Sell, Sally Klöser and Candy Wilson they have set up a newly assembled women's team in 2016. After about nearly 3 years there were a lot of young girls at the Duisburg Ducks and we "old ladies" decided to help building up a new team for the young girls. That's how we all came together again and started in the second Bundesliga in 2017.

The team is setting to be together through experience and junior players. After the first "new" Season 2017 we directly advanced into the first Bundesliga. Last year we won the second Bundesliga championship after an exciting playoff series. This is how we qualified for this year's European Cup in Denmark.

What counts in the many participations and successes, is the team with all the members of young and old ladies. It is not always easy to get together with all these characters, but it is an interesting mix on the pitch and as well on the offside. For all this we would like to thank the management of the Duisburg Ducks, as well all the parents for the energetic support and trust in our team.

All Players must wear either identical padded shorts or socks, or girdle/padded shorts covered with long trousers (except the goalkeepers). Each player in a team must wear an individual number 20 to 30 cm high on the back of the jersey and minimum 10 cm high on both sleeves, halfway between the shoulder and the elbow. The number must be an integer within 1 to 99 inclusive.
Please be aware that failure of a team to play without matching equipment in contravention of point IISHF Official Rule Book "player's uniform" will result into IISHF disciplinary action. Any jewellery or metal objects attached to a player's body must be removed where possible, if it is not possible to be removed it must be taped. All Junior outfield players must wear a helmet with full face cage/visor and a shoulder and chest protector. All players born after 31.12.1992 must also always wear a full face cage/visor.
- 1.3 There will be no general kit check carried out at this event. Any players found to have any equipment not conforming to the rules by the referee during the game will be penalised according to the IISHF Official Rule Book. Goalkeepers' face masks must be in compliance with the IISHF Official Rule Book. Teams shall have their goalkeeper's face masks checked by the Technical Director or the Referee Supervisor of the event at the manager's meeting if they want to make sure that the face masks can be used legally during the games. Alternatively any goalkeeper can contact the Technical Director or Referee Supervisor at any time prior to his first game to have his face mask checked. At its own initiative (without request) every team must provide two fully dressed goalkeepers before the start of their first game to the Technical Director or the Referee Supervisor of the event - please be aware that failure to provide two goalkeepers before the start of their first game will result to IISHF disciplinary action (Fine per each missing goalkeeper per game).
- 1.4 The maximum number of players that may be registered as members of a Team for any game is 18 (as listed in the Match Report). All teams must have a minimum of 8 players – these players must be kitted up and be on the players bench or on the pitch for the first game of the tournament (an exception is only possible if under proven force majeure where as Yellow/Red Card and/or Red Card and/or Black Card are not considered as force majeure).
- 1.5 Each team must have at least one Bench Official. All persons except players kitted up and listed on the Match Report will be deemed to be a Bench Official. Only players listed on the Match Report and a maximum of 5 Bench Officials (one with a minimum age of 18 years and the others with a minimum age of 16 years) are allowed to be on the bench as Bench Official.
- 1.6 Team Managers are responsible for providing a valid playing pass/membership card (issued by the relevant National Member Association) or valid passport or valid National identity card of each player participating in his/her first game to the Technical Director prior to at least one hour before the start of the game (Remark: Without playing pass or membership card or passport or National identity card a player is not eligible).
- 1.7 Not later than 30 minutes before each game, a Team Official or the Captain of a team shall submit to the Technical Director or the Technical Director's office a list of players who shall be eligible to play in that game indicating all shirt numbers. If no list is produced by a team before a game, the team list of the previous game will be taken as official list of all players for this game. If a player is taking part in a game although he is not listed on the game sheet (according to the before mentioned players list), a player is ineligible to play. Any team found to be playing an ineligible player will face disciplinary action as described under point 3.1 Tournament Rules.
- 1.8 Teams must not go onto the Pitch until they have permission from the Team Steward or Referee and until all members of the Teams competing in the previous game have completely left the Pitch Area.
- 1.9 The games and playing time incl. playing modus (running time or stopped time) are listed in the Official Time Schedule of 02.04.2019. For all games with a playing time less than 30 minutes (without extra time) all Penalties and Cards shall be generally reduced by 50% whereas for all games with minimum 30 minutes playing time (without extra time) all Penalties and Cards are completely served. Breaks between periods are 2 minutes for games of 30 minutes maximum or 5 minutes for games longer than 30 minutes. Break in extra time periods are 2 minutes.
- 1.10 Each team will be allowed one Time Out of 30 seconds in each period of each game.
- 1.11 In the first round (groups A-B), if there are 2 or more teams equal after all the games have been played, the places will be decided on the following:
 1. Head-to-head-results
 2. Goals difference of the head-to-head games
 3. Goals 'for' of the head-to-head games
 4. Goals difference of all games
 5. Goals 'for' of all games
 6. Total Penalty time of all games
 7. If both teams (in the case that only 2 teams are equal) are on the pitch, then a penalty shoot-out will take place; if not, a coin will be tossed to determine which team will take which place.

1.12 If a game needs to have a winner, then one "Sudden Victory" period of 5 minutes extra time will be played with 1 goalkeeper and 3 outfield players per team – the game shall be ended as soon as one team scores a goal and the scoring team will be the winner. Overtime is generally played with stopped time for the complete duration of the overtime – regardless of the clock operation mode decided for the regular playing time. If no goal is scored within extra time, then a penalty shoot-out with 5 players per each team will take place.

1.13 In any game where in the opinion of the referee, the colours of the competing teams are so alike that there is a risk of a miscall by the referee, the away team or second named team on the match sheet (according to the Official Time Schedule of 02.04.2019) must change their shirts. Thus each team must bring two sets of shirts with different colours to the Women European Cup 2019.

1.14 If because of unforeseen reasons there is a delay of more than 60 minutes during the final day (Sunday 25.08.2019), the Technical Director (after consultation with IISHF Presidium) is allowed to modify the Time Schedule of the remaining games by shortening the time periods.

2. PITCH AND CHANGING ROOMS

2.1 There are 4 changing rooms in the next door building Gentofte Hallen to be shared among all teams. In addition the host will provide a tent available next to the rink for the use of each team. Please leave rooms clean, tidy and undamaged.

2.2 The host will take EUR 100, as deposit for the usage of the Changing Rooms and for a locker key if possible (of the changing room). In the case of damage to lockers and the changing room, the team will be liable to a claim for compensation. In the case that a key is used the key has to be returned to the Event Director for return of deposit after the changing rooms have been left in a proper way at the end of the tournament.

2.3 The address of the pitch is "Gentofte Rollerskating Hall/Gentofte Rulleskøjtehal, Ved Stadion 16, 2820 Gentofte (Denmark)". Google Maps: <https://goo.gl/maps/Xi1Nn5mrcZ12>

An individual player listed on the ITC can produce her passport or national identity card instead of his playing pass (membership card) to verify his identity. No copy, no fax and no other document shall replace a playing pass or a membership card or a passport or national identity card. The relevant document (playing pass, membership card, passport or national identity card) must be produced by the Team Manager to the Technical Director at latest at the start of the Team Manager's Meeting.
